

Dear Vendor:

We are pleased to announce the plans for TEXPO 2008. In past years we have run an Affiliate Expo and Technology Fair in the same time period. Each event was extremely successful in both attendance and in terms of informational resource for our members. WE are the first association in the area to host these events and we are pleased to announce this year's mega-merger. It will feature over 70 companies representing all sectors of the real estate industry in both technology and complimentary needs

With a new venue and expanded program, we anticipate a record turnout. The purpose of the program is to introduce our membership to new and innovative tools, gadgets, software programs, web design firms and cutting edge instruments in the region. While also introducing them to the many affiliate companies committed to mortgages, home inspection, cleaning, junk removal, title insurance and more. This year we will continue the tradition of prize giveaways, we'll be offering seminars / workshops, supplying refreshments and hiring keynote speakers. It'll be an all day event and we encourage you to get involved.

TEXPO 2008 will be held on **Thursday, October 23rd from 10am – 6pm**. It will be at the Radisson Trevoze, 2400 Old Lincoln Hwy Trevoze, PA 19053. We will have special room rates for those of you seeking accommodations.

To maximize your visibility, we are only inviting the first 70 vendors to participate. Order forms are enclosed. We also have attached sponsorship form in case you have an interest. If you would like to see pictures from last year's event, go to: <http://www.bucksrealtor.com/gallery>
